Season Championship: 19 race days; LORC: 8 race days; RCYC: 13 race days
 Note: Where there are two or more races on the same day, then the number of races to count and available to discard will increase by applying a 70% factor. To calculate the overall scoring, the established NAEMA method will be applied only for races started.

Schedule approved by the membership at the Annual Fall Meeting Nov 6, 2008 and amended to reflect the change in dates of the Royal Weekend by the RCYC., as of Nov 30, 2008. Final approval at Spring Meeting, April 16th.

Notes:

* Membership has agreed to participate June 20 only subject to a one day entry fee.

** Membership has approved PCYC to host this event.

*** Membership has agreed that these regattas will stand alone to support the 2009 Worlds Sept 10 to 19.
